Bio:

Roman and André the duo better known as THE ESPRITS and their unapologetically international sound are quickening pulse of the German music scene. Their feel for the beat is what makes them one of the most danceable bands in the country. A feel they developed on the road doing it „LIVE“ as support for national greats like Revolverheld.

This is one duo you can count on to come up with a surprise, old feels new, new feels bold. Forget the genre stamp. The Esprits are The Esprits.

Short Description Release: „White Shoes And The Walk“

With their new single „**White Shoes And The Walk**“, The Esprits ignite an explosive firework of radiance, lightness, and fun.

The duo lets you feel 3 minutes and 22 seconds of sunshine on „White Shoes And The Walk“. A feel-good anthem for turbulent times, superbly produced and recorded together with award winning producer Franz Plasa (who worked with Depeche Mode, Mariah Carrey, Rammstein to name a few) and the team and H.O.M.E. Studios, this song has everything it takes to make an international hit.
